SPORT FOR ALL!

ADAPTIVE YOUTH SPORTS Outdoor Soccer

This adaptive soccer program is designed for children with physical, developmental and intellectual disabilities who struggle or need help with organized soccer and learning skills! Through participation in the program, participants learn to feel more positive about themselves in a safe & relaxed environment that promotes success mixed with fun & play.

Ages

4 to 10

Other Program Info

- Program will introduce the sport in a fun environment
- Children will receive a t-shirt
- Shin guards/athletic wear/water bottle highly recommended; soccer cleats optional
