YMCA ANNUAL CAMPAIGN OVERVIEW

WHAT IT IS
The YMCA Annual Campaign is a fundraising initiative that makes the Y available to people who cannot afford the cost of program and membership fees. By removing financial barriers, we are fulfilling our mission to make the Y available to ALL.

WHO IT HELPS
One hundred percent of Annual Campaign contributions go back into the community. The campaign makes it possible for children, families, seniors, neighbors and others to benefit from Y programs and memberships, regardless of their financial circumstances.

WHY IT MATTERS
The YMCA of Greater Fort Wayne is a leading non-profit organization whose mission is to put Christian principles into practice through programs that build healthy spirit, mind and body for all.

We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health and our neighbors.

HOW IT WORKS
Nearly 300 community volunteers and Y staff join together in an effort to tell “the Y story” to everyone in their networks: friends, corporate leaders, family & colleagues. The campaign is as much about “friend-raising”— communicating the Y’s daily impact on people’s lives— as it is about raising money.

WHEN IT HAPPENS
Cultivation, stewardship and asking for major gifts occur year-round. Staff are asked for donations in November and board members are asked in January. The community campaign starts Tuesday, February 18, through Friday, March 27, 2020.

YOUR ROLE
Throughout the year and especially during the Annual Campaign we rely on our volunteers to be ambassadors and champions of our mission. This is achieved through sharing our stories, communicating our impact, connecting people to our cause and providing them the opportunity to give back to their community by volunteering and donating.

TIPS FOR SUCCESSFUL FUNDRAISING

1. **MAKE YOUR OWN PLEDGE FIRST**
   We can’t ask others to give if we aren’t willing to. It is easier to ask someone to give once you have made a commitment.

2. **KNOW WHAT YOU ARE DOING AND WHY**
   A positive, confident attitude is the first and most important step. Be clear about your own commitment, be yourself, talk from the heart.

3. **ONLY CONTACT PEOPLE IF YOU HAVE THEIR PLEDGE CARD**
   Assigning campaigners to donors ensures that an individual is only contacted by one volunteer. Contact your ED if you would like to add someone to your list.

4. **ASK YOUR BEST PROSPECTS AND LAST YEARS DONORS FIRST**
   You’ll gain confidence and momentum with an early yes.

5. **KNOW THE DONOR’S GIVING HISTORY**
   Familiarize yourself with the donor’s giving history with information from the pledge card.

6. **MAKE IT PERSONAL**
   Examples of how the Y has impacted you or someone else make giving more meaningful to a donor.
   - **As a Board Member** - “You may not know this but I’m on the board at the YMCA. The reason is because ______________. One of the ways we support the mission is to raise money so everyone can participate!”
   - **As a Young Person** - “When I was young the Y made a difference in my life and now I want to do that for someone else.”
   - **Programs you know about/are passionate about** - “At our branch there are so many awesome stories about lives that have been changed at the Y. Do you have a minute so I can share one?”
     - Ask open ended questions.
     - Find a connection between the Y and their passions.
     - Speak in terms of impact not dollars, for example Giving the gift of 11 swim lesson to a child, not donating $60.
     - You are not asking for funds to pay staff salaries or facility fees.
     - If you are asked a question you don’t have an answer for, let them know you’ll find out and get back to them.

7. **AIM HIGH AND ASK FOR A SPECIFIC AMOUNT**
   “If you are interested, here is how you can participate.”
   “I had a good year so I increased my gift. If you had a good year would you consider increasing yours to $???”
   “Would you consider a gift of $___ that will do ___?”
   “Would you join me in supporting __________?”

8. **ENCOURAGE PLEDGING**
   Many individuals can give a larger amount if they can pay over the course of 12 months.

9. **ONCE A PLEDGE IS MADE**
   Confirm the pledge, verify contact information and thank the donor. Turn in pledge cards promptly and communicate any roadblocks. Campaign progress is reported on a weekly basis.

10. **MAKE FRIENDS FOR THE YMCA**
    Not everyone will choose to give but you shared the great work that the Y does in our community!

11. **MEET YOUR PROSPECTS IN PERSON WHENEVER POSSIBLE**
    Even though it seems like you don’t have time to see prospective donors in person, personal appointments send a strong message that you believe supporting the Y is important. Campaigners who make it a point to use personal visits consistently secure larger gifts and produce more dollars relative to their investment of time. (See next page)

Donation Methods

Donations of Stock
We accept gifts of stock which often provide tax benefits to the donor. To make a gift of stock, please refer donors to Mick Sokolowski, CFO, at Mick_Sokolowski@fwymca.org or call 260.918.2153 with their contact information and he will follow up with them.

Cash or Check
Attach to pledge card and turn in to ED within 48 hours.

Matching Gifts
The Y is eligible to receive matching gifts which double or even triple contributions made by their employees or retirees. Visit ww2.matchinggifts.com/search/rit to look up company matching gift programs.

Please instruct the donor to obtain the appropriate forms from his/her human resources department, complete the employee section, sign the form and send it to your Executive Director.

COMMUNICATE YOUR STORY

Share the unique and personal ways in which the Y has touched and enhanced your life. Why do you have a passion for this work? What’s your Y story? Your story must be compelling and memorable.

- Did you or a family member learn important life skills at the Y?
- Did your child have his or her first overnight camping experience at the Y?
- Did you or your family benefit from financial assistance provided by the Y?
- What important life skills did you or a family member learn?
- Have you been a long time member of the Y?

**Your story is a powerful demonstration of the Y’s impact on people in our community. It must be thought out and intentional.**

COMMUNICATE THE Y’S STORY

**Our Mission**
To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

**Our Cause**
Strengthening community is our cause.

**Our Position**
The Y is the nation’s leading nonprofit committed to strengthening communities through youth development, healthy living and social responsibility.

**Our Promise**
The YMCA of Greater Fort Wayne has made a promise to our community that everyone has the opportunity to participate regardless of the ability to pay.
Dear [Name],

I am thrilled to share that, as a supporter of the YMCA of Greater Fort Wayne, I am participating in this year's Annual Campaign to continue making the YMCA accessible to everyone in our community. [I became involved with the Y because (insert your personal connection, or why you personally support the Y)]. The Y's mission is important to me because I care about creating a place for everyone in our community to belong - to improve themselves, learn healthy habits and build new friendships. The Y makes that possible. The Y's reach is tremendous - and your support of the Annual Campaign will help ensure that everyone has access, regardless of financial ability.

The YMCA of Greater Fort Wayne has 8 membership branches throughout Allen, Whitley and Wells counties, where they serve 87,640 members. There are also 3 additional youth serving branches: YMCA Camp Potawotami, YMCA Youth Service Bureau and YMCA Child Care Services. An additional 20,000 people participate in Y programs, including LIVESTRONG® at the YMCA, summer camp, afterschool, and early learning. During the summer, the Y operates 20-day camps serving 1,770 kids. Throughout the school year, more than 3,300 students at more than 43 sites will have a safe, positive after-school experience because of a Y program.

My personal goal is to raise $[insert goal] by March 27th. Every donation makes a difference - no matter the amount. All donations go towards financial assistance at the Y, making sure that everyone has access regardless of financial ability. To make a contribution, please visit my personal fundraising page: [insert direct URL].

Sincerely,

P.S. If you’d like to learn more about the Y, let me know - I’d be glad to set you up with a 20-minute tour and show you how the Y is so much more than a gym. Thanks again for helping ensure that everyone in our community can access the Y.

Follow-up Email

Subject: [X] more weeks to reach my goal

Dear Friend,

As you may know, in [insert countdown, i.e. 14 days] the YMCA of Greater Fort Wayne's Annual Campaign will reach its last day of the official campaign! While you can still give year-round, giving before March 27 is especially important to help us reach our goal by the campaign deadline. The YMCA is an important resource to so many individuals and families who benefit from access to afterschool care, early learning, senior health and fitness activities, and more.

Financial assistance is important because it makes the Y accessible to everyone. In fact, last year more than 44,000 individuals were able to participate at the Y because of financial assistance! When you give to the Y’s Annual Campaign, you’re helping your neighbors and community thrive. I choose to support the Y because it makes such a big difference in our area, and I hope you will too.

Please consider making a contribution to my campaign, which you can find via this link: [insert URL]. An incredible 100% of your contribution will be used towards financial assistance. And, no donation is too small – every dollar truly makes a difference.

Thank you in advance!
BEST PRACTICES FOR ONLINE FUNDRAISING

1 Peer to Peer online fundraising is a great option for family members or out-of-state friends who have a relationship with you but may not be connected with our YMCA.
   A Use the YMCA website to direct people who want to make their donation online:
      fwymca.org/support-ydonate.
   B Set up a personal fundraising page through FirstGiving (See page 12)

2 Make calls to your assigned donors and prospects first – get commitment. Incorporate FirstGiving after calls have been completed.

3 Sending a link to your personal fundraising page is a good way to follow-up once you have made a personal ask for a specific dollar amount or if someone was hesitant about giving during your initial ask.

   Note: Average national online gift in 2018 was $147. For the 2019 Annual Campaign, our average gift on FirstGiving was $131. Online donations account for 4% of gifts for larger non-profit organizations.

4 Email your donors and prospects pictures, videos, stories...which help educate and inspire them to give.

5 After the campaign ends, circle back around and let your donors know how much you raised online.

6 Best practice is to develop a long-term relationship that will encourage increased giving over time.

The Donor-Centered Fundraising Cycle

Research shows many people do not perceive the Y as more than a gym and swim. That means we are not engaging our supporters in a “donor-centered” way that shows the impact of their gifts on our community. Focusing on stewardship and donor relations (i.e. saying thank you, recognizing generosity, reporting impact, and experiencing programs first-hand) will help ensure that your donors experience high-quality interactions with our Y that foster long-term engagement and investment.

The Donor Centered Fundraising Cycle works best when a successful donor relations and stewardship plan is in place to support each step. It is important to connect donors to the Y’s cause in order to develop meaningful relationships.

It costs the Y six to seven times more to acquire a new donor than to retain an existing one. Building and sustaining strong relationships with current donors and future donors is key to our continued growth and success.

2. Instead of creating a new account, either sign in with your email or with your Facebook account.
3. Follow steps 5-12.

TO EDIT AN EXITING ACCOUNT ONCE YOU’RE ON THE 2020 CAMPAIGN TEAM
Go to www.firstgiving.com and click on Login in the top blue bar on the left.

Not sure where to start?

You can use the Share links on your fundraising page to post to social media sites.
BEST PRACTICE: Send an email to yourself to see how it will look before sending out.

- You can import email addresses from your email provider if you use the following services:
  - Gmail
  - Yahoo!
  - MSN
  - Aol.

- Any address you have already emailed, as well as those of people who have already donated to one of your FirstGiving pages, will already be saved for you in your FirstGiving address book.

- When you've entered all the email addresses you would like to send to, click the I’ve added all my contacts button.

- This will bring you to a screen with a pre-written email. You can edit this message if you'd like. You can also use the placeholder variables that are on the right-hand side to pull information automatically. These variables include [Donor First Name], [Donor Last Name], [Page Address], [NonProfit Name], [Total Raised], [Page Title]

- Wherever you insert one of these, FirstGiving will automatically insert the customized text in the email your prospective donors receive. So if you use the [First Name] variable to say "Hello [First Name]," that will fill in the first name of your donor in the email they receive, if that name is on file. If there is no first name on file the variable will come in blank; it won't say [First Name] on the email they receive. When you’re done customizing your message, click Send (at the bottom of the page), and the message will go out to all the contacts you have selected.

You can also add offline donations on your home page to keep a tally of your total raised compared to your goal.

If you have questions regarding setting up a personal page or using First Giving please contact Jane Horwedel at 260.918.2141 or email jane_horwedel@fwymca.org.
