YMCA ANNUAL CAMPAIGN OVERVIEW

» WHAT IT IS

The YMCA Annual Campaign is a fundraising initiative that makes the Y available to people who cannot afford the cost of program and membership fees. By removing financial barriers, we are fulfilling our mission to make the Y available to ALL.

» WHO IT HELPS

One hundred percent of Annual Campaign contributions go back into the community. The campaign makes it possible for children, families, seniors, neighbors and others to benefit from Y programs and memberships, regardless of their financial circumstances.

» WHY IT MATTERS

The YMCA of Greater Fort Wayne is a leading non-profit organization whose mission is to put Christian principles into practice through programs that build healthy spirit, mind and body for all.

We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health and our neighbors.

» HOW IT WORKS

Nearly 300 community volunteers and Y staff join together in an effort to tell “the Y story” to everyone in their networks: friends, corporate leaders, family & colleagues. The campaign is as much about “friend-raising”—communicating the Y’s daily impact on people’s lives—as it is about raising money.

» WHEN IT HAPPENS

Cultivation, stewardship and asking for major gifts occur year-round. Staff are asked for donations in November and board members are asked in January. The community campaign starts Tuesday, February 21 and runs through Friday, March 31.

» YOUR ROLE

Throughout the year and especially during the Annual Campaign we rely on our volunteers to be ambassadors and champions of our mission. This is achieved through sharing our stories, communicating our impact, connecting people to our cause and providing them the opportunity to give back to their community by volunteering and donating.

TIPS FOR SUCCESSFUL FUNDRAISING

1 MAKE YOUR OWN PLEDGE FIRST

We can't ask others to give if we aren't willing to. It is easier to ask someone to give once you have made a commitment.

2 KNOW WHAT YOU ARE DOING AND WHY

A positive, confident attitude is the first and most important step. Be clear about your own commitment, be yourself, talk from the heart.

3 ONLY CONTACT PEOPLE IF YOU HAVE THEIR PLEDGE CARD

Assigning campaigners to donors ensures that an individual is only contacted by one volunteer. Contact your Executive Director if you would like to add someone to your list.

4 ASK YOUR BEST PROSPECTS AND LAST YEAR'S DONORS FIRST

You'll gain confidence and momentum with an early yes.

5 KNOW THE DONOR'S GIVING HISTORY

Familiarize yourself with the donor's giving history with information from the pledge card.

6 MAKE IT PERSONAL

Examples of how the Y has impacted you or someone else make giving more meaningful to a donor.

As a Board Member - "You may not know this but I'm on the board at the YMCA. The reason is because _____. One of the ways we support the mission is to raise money so everyone can participate!"

As a Young Person - "When I was young the Y made a difference in my life and now I want to do that for someone else."

Programs you know about/are passionate about - "At our branch there are so many awesome stories about lives that have been changed at the Y. Do you have a minute so I can share one?"

- Ask open ended questions.
- Find a connection between the Y and their passions.
- Speak in terms of impact not dollars, for example Giving the gift of 11 swim lessons to a child, not donating \$60.
- You are not asking for funds to pay staff salaries or facility fees.
- If you are asked a question you don't have an answer for, let them know you'll find out and get back to them.

7 AIM HIGH AND ASK FOR A SPECIFIC AMOUNT

"If you are interested, here is how you can participate."

"I had a good year so I increased my gift. If you had a good year would you consider increasing yours to \$???"

"Would you consider a gift of \$____ that will do _____?"

"Would you join me in supporting _____?"

8 ASK QUESTIONS

Contact your Executive Director or Annual Campaign Chair for assistance if you need guidance or have questions.

9 ONCE A PLEDGE IS MADE

Confirm the pledge, verify contact information and thank the donor. Turn in pledge cards promptly and communicate any roadblocks. Campaign progress is reported on a weekly basis.

10 MAKE FRIENDS FOR THE YMCA

Not everyone will choose to give but you shared the great work that the Y does in our community!

» COMMUNICATE YOUR STORY

Share the unique and personal ways in which the Y has touched and enhanced your life. Why do you have a passion for this work? What's your Y story? Your story must be compelling and memorable.

- What important life skills did you or a family member learn?
- Have you been a long time member of the Y?

Your story is a powerful demonstration of the Y's impact on people in our community. It must be thought out and intentional.

COMMUNICATE THE Y'S STORY

Our Mission

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

Our Cause

Strengthening community is our cause.

SAMPLE PHONE/VOICEMAIL SCRIPT

Hi [Name]. This is [Name]. Do you have a minute? Great! (Begin with small talk and transition into your connection with the Y)... I don't know if I've ever talked to you about this, but I'm a board member (staff member, campaigner) for the YMCA. The reason I do this (insert your reason for being involved with the Y) _____.

Part of my role is to educate the community about the Y and that's the reason for my call. Part of the mission of the Y is to make sure that finances aren't a barrier to people who want to join or participate in programs. So we raise funds that help offset the membership and program fees for people who can't afford the total cost. There are so many things the Y does that people don't know about that make it worthy of support. Can I share a few examples with you?

In 2022, the Y served 1,851 kids at multiple day camp sites in Allen and Whitley counties, where kids accomplished new things, felt a sense of belonging, and developed character. In addition to that, more than 2,405 students at 37 sites had a safe, positive after-school experience because of a Y program. Due to programs for our areas most vulnerable youth, over 190 were mentored to get back on track and pursue a high school education. The Y really makes a difference in the lives of area youth.

My personal goal is to raise \$[Insert goal] by March 31st. Every donation makes a difference – no matter the amount. All donations go toward financial assistance at the Y, making sure that everyone has access regardless of financial ability.

Would you consider a gift of \$[amount] which would help a child take a step closer to being the best version of themselves?

If the donor says – what you've asked for is too much... "I understand, and I know you will give what you can. Is there an amount you are comfortable with?" Let them suggest the next amount or help them connect a dollar amount they can give to something that is meaningful to them.

Voicemail

Hi [Name]. This is [Name]. I hope you are doing well. I am doing some things with the Y and wondered if you would be interested in helping out too. Please give me a call when it's a good time for you. You can reach me at _____.

SAMPLE LETTER/EMAIL

Dear [Name],

I am thrilled to share that, as a supporter of the YMCA of Greater Fort Wayne, I am participating in this year's Annual Campaign to continue making the YMCA accessible to everyone in our community. [I became involved with the Y because (insert your personal connection, or why you personally support the Y)]. The Y's mission is important to me because I care about creating a place for everyone in our community to belong – to improve themselves, learn healthy habits and build new friendships. The Y makes that possible. The Y's reach is tremendous – and your support of the Annual Campaign will help ensure that everyone has access, regardless of financial ability.

The YMCA of Greater Fort Wayne has 8 membership branches throughout Allen, Whitley and Wells counties, where they serve 79,331 members (as of Dec. 2022). There are also 3 additional youth serving branches: YMCA Camp Potawotami, YMCA Youth Service Bureau and YMCA Child Care Services. In 2022, an additional 20,000 people participated in Y programs, including LIVESTRONG® at the YMCA, summer camp, afterschool, and early learning. In 2022 the Y operated multiple day camps serving 1,851 kids.

My personal goal is to raise \$[insert goal] by March 31st. Every donation makes a difference – no matter the amount. All donations go towards financial assistance at the Y, making sure that everyone has access regardless of financial ability. Subject: [X] more weeks to reach my goal

Dear Friend,

As you may know, in [insert countdown, i.e. 14 days] the YMCA of Greater Fort Wayne's Annual Campaign will reach its last day of the official campaign! While you can still give year-round, giving before March 31 is especially important to help us reach our goal by the campaign deadline. The YMCA is an important resource to so many individuals and families who benefit from access to afterschool care, early learning, senior health and fitness activities, and more.

Financial assistance is important because it makes the Y accessible to everyone. In fact, last year more than 38,947 individuals were able to participate at the Y because of financial assistance! When you give to the Y's Annual Campaign, you're helping your neighbors and community thrive. I choose to support the Y because it makes such a big difference in our area, and I hope you will too.

Please consider making a contribution to my campaign, which you can find via this link: [insert URL]. An incredible 100% of your contribution will be used towards financial assistance. And, no donation is too small – every dollar truly makes a difference.

Thank you in advance!

BEST PRACTICES FOR ONLINE FUNDRAISING

- 1 Peer to Peer online fundraising is a great option for family members or out-of-state friends who have a relationship with you but may not be connected with our YMCA.

A Use the YMCA website to direct people who want to make their donation online:

fwymca.org/give.

B Set up a personal fundraising page through Givebutter (See page 11)

Givebutter

- 2 Make calls to your assigned donors and prospects first – get commitment. Incorporate online fundraising using Givebutter platform.
- 3 Sending a link to your personal fundraising page is a good way to follow-up once you have made a personal ask for a specific dollar amount or if someone was hesitant about giving during your initial ask.

Note: Average national online gift in 2022 was \$177. For the 2022 Annual Campaign, our average gift on Givebutter was \$175. Online donations account for 4% of gifts for larger non-profit organizations.

- 4 Email your donors and prospects pictures, videos, stories...which help educate and inspire them to give.
- 5 After the campaign ends, circle back around and let your donors know how much you raised online.
- 6 Best practice is to develop a long-term relationship that will encourage increased giving over time.
