

Isabella Coleman

"My fourth-grade daughter, Isabella, has been in Y care since kindergarten, and we are so thankful for the care we have received. My mind is at ease knowing my child is in a safe place before and after school, on delays, school closings, and through the summer. While Isabella is in Y care, I am able to complete college courses and go to work so that I can be the best I can be for Isabella. Since starting Y care five years ago, we have experienced so much growth and I have seen such a positive change in Isabella. Isabella is more caring toward others, more responsible, has grown socially, and has made many friends. I don't know where I would be or what I would do without the YMCA. I hope we can continue participating with the Y through middle school and for years to come."

GIVE FOR ALL

Your donation to the YMCA Child Care Services Annual Campaign helps nurture children, support families, and strengthen neighborhoods. Without financial assistance, many kids would not be able to experience what YMCA Child Care Services has to offer including peace of mind for parents while they work to support their family. By introducing kids to the Y's core values of caring, honesty, respect and responsibility, we help cultivate future leaders.

Through Your Generosity, Together We Will:

- Nurture children in a safe, educational environment in our before and after school programs.
- Foster a child's sense of accomplishment and belonging while learning positive character traits at summer day camp.
- Continue to provide opportunities for everyone to participate at the Y, regardless of their age, income or background.

Your Gift In Action

Every dollar donated to the YMCA Annual Campaign has a lasting impact on our community. In 2022, financial assistance programs helped 582 kids to participate in summer camp and before and after care programs.
