2022 SUMMER DAY CAMP

May 31 - August 5

CAMPERS & PARENTS:

WELCOME

Is your child ready to trade stories, share a favorite book, or sing camp songs with a new friend? Do they like to be greeted with smiles and high-fives from staff and fellow campers for accomplishing something new? Does your child want to fit in just for being who they are? At Y camp, we are here to make your kids feel welcome and to help them quickly realize this is a place where they belong and can be themselves...try new things...learn new skills...make new friends...and be a part of something great!

A camp experience can be a powerful tool for personal growth. This is why we strive to offer the highest quality camps with the most diverse opportunities. We put a lot of effort into creating a fun, safe environment by carefully selecting staff through screenings and background checks. We also provide thorough trainings (including first aid, CPR, safety, child abuse prevention, character building, etc.) Our staff are of the highest integrity, personal and spiritual maturity, and are enthusiastic about camp. You can depend on the Y to make sure that camp is well supervised. Summer Camp seems like a long way off, but it will be here before you know it. We hope that you and your family will join us and help make it their best summer ever!
