

Carpool Information:

Morning carpool (7:30am-8:30am) there is no sign up required ahead of time. Please note, after 8:30am you will need to enter into the building to sign your child in.

Afternoon carpool (4:30pm-6pm) requires sign up ahead of time.

Please email Rebecca_Sullivan@Fwymca.org by 3pm Friday the week before you are attending all camps. *Spots are limited.*

If you arrive outside of those periods you will need to enter the building to sign your child in or out of the YMCA. To locate your child's group, please utilize the grey location board by the front desk.

How does it work?

Drop-Off:

Parents will line up at the drop off location (see diagram). A staff person will be waiting to help your child(ren) out of the car on the passenger side only with belongings/backpacks. The staff person will ask you to confirm your child's name and camp they are registered for.

Pick-Up:

Parents will line up after at the pick-up location (see diagram). A staff person will be there to sign you out. Please put your CARPOOL number which will be given the first day of care used, in your front window or hanging from your rear view mirror to help keep the line moving (infant and child pant hangers work great for this).

What is my carpool number?

Your carpool number is the same as the last 3 digits of your member or participant number.

We will provide you with your carpool number on the first day of care used.

(Diagram for carpool is on the following page)
