WELCOME!

Dear Campers and Parents:

At the Jackson R. Lehman Family YMCA, we strive to make all children feel welcome, regardless of ability. Your child will make new friends, gain confidence, learn new ways to express themselves and find a sense of belonging. We create an environment of learning and fun that is guaranteed to have your child yearning for more.

We strive to offer high quality camps with many diverse opportunities. We believe that our camp experience can be a powerful tool for personal growth and self-confidence. We take extra steps to ensure that your child has the best staff available through background checks and extensive training which includes CPR, First Aid, safety and child development. You can trust that the YMCA makes every effort to provide a fun, well supervised and safe place for your child.

We are currently planning for the fun and excitement that lies ahead for your child this summer. YMCA camps often fill up quickly so please register early. We look forward to your family joining us here at the Jackson R. Lehman Family YMCA and making it the best summer camp experience ever.

Summer will be here before you know it, so come join us!
