Erica Miller

District Executive Director

- Free child care in our ChildWatch while you work out
- Unlimited participation in hundreds of free group exercise classes like Y-Cycling, Zumba® and AquaFit – every week for every fitness level!

GUESTS ARE WELCOME!

One of the benefits of having a membership to the YMCA of Greater Fort Wayne includes being able to bring a non-member friend to the Y as a guest. Guests are welcome to visit three times per calendar year. The following guest rates apply:

- First visit is complementary
- Second and third visits: \$5 for students through age 25; \$10 for one adult; \$15 for families

A member may be accompanied by two individual guests or one family during a visit. A family guest pass is at least one guest parent, guardian or grandparent present with dependent children. For additional guests, please check with your branch Membership Director in advance of your visit.

We ask members to be responsible for their guests:

- Members age 16 and over can bring a guest. Guests age 16 and over must bring photo ID for safety reasons. We are committed to providing a safe and welcoming environment for all. Behavior contrary to our mission and core values may result in loss of membership and guest privileges.

NATIONWIDE MEMBERSHIP

Traveling, working in another region, exploring...sometimes, it's just more convenient for members to use a Y in a different location. Now, full facility/full privilege YMCA members have the flexibility to use other Y facilities throughout the nation, at no extra charge!

CHANGES IN SCHEDULES

We do our best to present accurate information and schedules to our members. Sometimes the information in the program guide will have an unforeseen change in a class schedule, fee, program description, etc. We apologize for any inconvenience caused by these adjustments. Updated schedules are located at the Member Services desk and online at www.fwymca.org.

VOLUNTEER OPPORTUNITIES

At the Y, you will make a connection that counts. By becoming a volunteer, you join hundreds of families and individuals of all ages dedicated to helping promote youth development, healthy living and social responsibility. Volunteering for the Y is fun, rewarding and gives you a sense of belonging. You can make a positive impact in the lives of others.

TEST. MARK. PROTECT. SWIM SAFETY INITIATIVE

Test.Mark.Protect Initiative ensures all children are protected while swimming in Y pools. Through this initiative, all YMCA branches in Allen, Wells and Whitley counties will require children under 14 years old to take and pass a lifeguard - monitored swim test. Upon passing the test, swimmers will be given a green wristband to wear while in the pool. Swimmers who do not pass the test, or do not wish to take it, will be required to wear a life jacket for protection or have an adult present within reach.

SWIM, SPORTS, AND PLAY
Youth Swim Lessons
The YMCA has a long history of teaching swim lessons. In fact, the Y is credited for being first to develop a group swim instruction program in 1906. We have come a long way since that first group lesson, and we’re excited to present the latest upgrades to you.
Our new swim curriculum is based on extensive research, and we look forward to seeing swimmers advance more quickly through the stages. The fun fish names we previously used to identify the different levels have been replaced with names that more closely relate to the skills we will be working on in each stage. In stages 1-3, our certified swim instructors facilitate activities that focus on building confidence in the water, instilling good water safety habits and personal growth. In stages 4-6, instructors help swimmers build confidence in deep water as well as work on stroke techniques. And swim stages A and B give our youngest friends, infants and toddlers, an opportunity to get comfortable in the water with a parent or guardian.

This exciting new curriculum helps each participant experience a sense of accomplishment after each lesson and build relationships with other swimmers in their class. We hope you enjoy these latest swim lesson upgrades. If you have any questions, please let us know. Thank you for participating in our aquatics programs.
