

ANNUAL
CAMPAIGN

JACKSON R. LEHMAN
FAMILY YMCA

THANK YOU FOR
HELPING US REACH
OUR POTENTIAL

On behalf of the Jackson R. Lehman Family YMCA and the many people who benefit from our life-changing programs and services, thank you for donating to our 2019 Annual Campaign. Because of you, the Jackson R. Lehman Family Y Board and volunteers were able to exceed their goal of \$43,000 and raise a total of \$62,031.

Every donation to the Jackson Lehman branch makes a difference in our community by eliminating economic barriers that prevent some people from taking part in a Y membership or program. The financial assistance your gift provides helps nurture children and build strong families which are vitally important to developing a healthy community.

Thanks to people like you who contributed toward our campaign, we will continue to provide opportunities for people to become healthier, stronger and more connected. The following is an example of your contribution in action as shared by Aide:

Imagine moving from California to Indiana where you do not know anyone. As an added challenge, your son has a speech delay because English is not spoken in his home. A therapist recommended that he spend time in public places so he could interact with others that are speaking English. To make this even more of a trial, you are suffering from postpartum depression leading to weight gain where even thinking about going to the grocery store gives you a headache. It is all very overwhelming. This is Aide's and Emmanuel's story.

Now imagine receiving information in the mail that a new Y is opening nearby – the very place the therapist recommended taking your son. Knowing you are on a very limited budget can make you feel like this is out of reach for you and your family, but finding out that financial assistance is available can suddenly help you realize that there are so many new possibilities!

Because of the generous donor support for the Annual Campaign, Aide and her son, Emmanuel, have begun an incredible journey at the Jackson R. Lehman Family YMCA. Upon joining, Aide lost 59 pounds and is no longer suffering from depression. Emmanuel's English has progressed tremendously because of the time he has spent in Child Watch, swim lessons and gymnastics."

Thank you for helping us; it is because of you that we are able to make the Y available to those who need us most so we can strive toward building a community where everyone feels loved, competent, happy and healthy. Your support is our strength.

Please look on the back of this letter and take a moment to thank those who have joined you in supporting the Y.

Sincerely,

Joseph O'Dell
