Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect and responsibility.

Healthy Living

We help people and families build and maintain habits that improve their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

"Growing up I never had the opportunity to have a Y membership. Now I know how important it is to model fitness and self-care for our sons. In 2019, we moved twice in one year. One thing our family needed was to feel grounded, secure and welcomed. The Jackson Lehman YMCA has been all of that and more.

The Y helped make our transition to Fort Wayne something we have treasured. We are so thankful for the Christian values, fitness and child swim classes, amazing Child Watch staff and weights that my husband uses for his personal workouts! The list of reasons we are thankful for our new membership goes on and on. Overall, the Y has had an amazing, positive impact on our family!

It has been difficult in the past to prioritize my personal health and wellness. Many other facilities do not offer childcare, classes and community like our Y does. Those are essential to help make fitness trips worth my time! I know our sons are well cared for while I work out at the Y, so I can take some time for me without worry or guilt. Our sons look forward to seeing their teachers. I look forward to seeing my new friends and fitness instructors and we look forward to swim time as a family.

We took a big risk stepping into full-time ministry, which means our finances run lean. Because of the Y's financial assistance we have access to the Y and can also balance our budget. The generosity of others has made our Y membership a reality and we are eternally thankful. Thank you for safety and love. It means more to us than you know, YMCA family!" – Marissa Massey
