AT THE Y

WHY THE Y?

When you join the Y, you're not just a member of a facility; **you're part** of something greater. You're part of a cause-driven organization whose purpose is deeper than a pool. With a shared commitment to nurturing the potential of kids, improving health and well-being and giving back and supporting our neighbors, the Y gives you the opportunity to learn, grow and thrive.

We're a community. Surrounded by friends as well as caring, knowledgeable staff, you can grow your spirit, mind and body in ways you never imagined.

As a Y member you receive reduced program fees and priority registration for programs such as youth and adult sports, swim lessons, day camps, and so much more!

We're a not-for-profit organization. Donations to the Y help more children, adults, and families join by eliminating financial barriers. Your support of the Y helps make it accessible to those who want to participate but are unable to afford the cost of membership and programs.
