Dear «First\_Name»,

Welcome to the YMCA of Greater Fort Wayne!

As CEO, it is my pleasure to personally welcome you to our Y community. You have joined an organization that is committed to more than just fitness — we are dedicated to strengthening the foundation of our community and putting the Y within reach of everyone.

We are driven by a bold vision: **to help make our region one of the top 10 healthiest communities in the nation.** That means meeting people where they are, removing barriers to access, and creating opportunities for all to grow in spirit, mind, and body.

When you join the Y, you are not just gaining access to a facility, you are becoming part of a cause. Your membership helps support programs and services that make a lasting difference, from providing quality childcare to offering a wide range of healthy living programs that empower individuals and families to lead healthier lives.

As a member, you have access to nine state-of-the-art facilities, as well as the Nationwide Membership program. You will also enjoy free group exercise classes, lifestyle coaching and priority registration for programs. If you're not sure where to start, our staff are always ready to connect you with opportunities that match your goals and interests.

Thank you for joining the Y. I hope you find connection, purpose, and encouragement here as we work together toward a healthier, stronger community.

In good health,

Andrew Gritzmaker  
President & CEO
