Our Preschool Program is located entirely at New Hope Church

About the YMCA

YMCA of Greater Fort Wayne:
The Jorgensen Family YMCA is one of eight branches, in the YMCA of Greater Fort Wayne area. The YMCA is a non-for-profit agency supported by our membership, program participants, and donor contributions.

The Y associates people of all ages, ethnic backgrounds, and religious affiliation into a worldwide fellowship based on Judeo-Christian principles. We strive to be the leading provider of affordable activities that promote healthy spirits, minds, and bodies for individuals and families in the Greater Fort Wayne area.

The Y is governed by a Board of Managers that is made up of concerned and interested local community leaders and YMCA members. Through regular meetings, the Board monitors ongoing operations, ascertains community needs, ensures the proper functioning of the organization, and provides leadership to the long range planning process for all YMCA's in the Greater Fort Wayne Association. The Board employs a CEO who, with other staff and volunteers, supervises the ongoing Branch Operations of the Y programs and services.

The Y is the nation's leading nonprofit committed to strengthening communities through youth development, healthy living, and social responsibility.

The YMCA Mission Statement:
To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

Character Development
Y's throughout the USA strive to implement our character development program exemplifying our core values of: CARING, HONESTY, RESPECT, RESPONSIBILITY, and FAITH.

These core values provide a foundation that guide all Y programs, staff trainings, and operations. It is our job to give youth and adults experiences that help them develop a set of positive values, morals, and ethics to live by. The Preschool Staff strives to provide an environment focused on these Y core values. Students will be taught these core values on a consistent basis. Teaching the core values will allow students in our care to form a foundation that will provide a stable, secure base on which to build their lives.

Staff Qualifications
The quality and effectiveness of Y services for children are directly related to the skills and personal characteristics of the staff. Recruiting, selecting, training, and supporting the staff are essential, interrelated processes in ensuring the success and integrity of children's programs. The leaders are required to have experience in working with children, knowledge of recreation activities, and must model the Y's core values.

Jorgensen YMCA childcare staff members are CPR and First Aid Certified and have completed a criminal background and sexual offender’s background check. We take pride in our staff and provide training.

Equal Access
The YMCA of Greater Fort Wayne, in keeping with its mission to help all people realize their fullest potential, encourages and supports the participation of all children in Y Child Care Programs. We serve all children regardless of gender, race, color, nationality, religion, ethnicity, or disability. Consideration is given to the individual needs of every child and the ability of the
program to meet those needs.

YMCA Quality Check Program
Each fall, the YMCA Childcare Program Development Team conducts a quality check assessment of our childcare programs. The assessment includes the formation of a Quality Check Team made up of YMCA childcare professionals, and branch executive directors with an on-site visitation at each child care program. Parents interested in participating should contact the Childcare Services Director, Rebecca Sullivan at 755-4826. Each family (children and parents) will be given an opportunity to evaluate the program.

Admissions Criteria
Students must be eligible to be enrolled in either Southwest Allen County Schools or Saint Elizabeth in the Fall 2021 and Fall 2022 School years to be accepted. Parents must register online or in house at the Jorgensen Family YMCA for the program and turn in immunization records in order to be eligible to register for the program. It is also our policy that every child be fully toilet trained and capable of using the facilities without assistance. We understand that accidents can occur, in which case, we would require that parents pick up their children immediately or provide clean attire. Due to staffing policies and training, if accidents begin to occur on a regular basis, the child may need to wait until the following season to attend the program.

Special Needs
At the Y we aim to promote an inclusive environment where all children, whatever their needs, can learn and develop in a happy, caring, and educational environment. Generally the Y is unable to meet the needs of a child who requires a greater ratio than one staff to six students. These needs include social, emotional, cognitive, language, and/or motor development growth. Decisions are made on a per case basis. Upon inquiry, the Y can direct you to a professional resource in the community.

Parents must keep the Y notified of phone number changes for work, home, and emergency contacts at all times.

School Calendar
This program runs from September 8th through May 29th and follows the Southwest Allen County School District calendar for scheduled days out of school, delays/cancellations and holiday breaks.

On scheduled days out of school the preschool program will not be in session.

Bad Weather/Snow Closures
If Southwest Allen County schools close or delay due to inclement weather, the Jorgensen Family YMCA preschool program will not be in session.

Newsletter
At the beginning of each month, you will receive a newsletter that will review important information about your child’s Y program. Please read the newsletter carefully. This newsletter will be available on the parent sign in and out table, as well as, sent to the e-mail address you have on file.

Required Sign-in/Out Procedure
The safety of every child is a priority of the Y. Following Sign-In and Sign-Out procedures helps ensure the safety of your child and allows staff to determine which children are present at any given time.

Sign-In/Drop off
Preschool staff will be at the front door for carpool drop off from 8:50am-9:00am, after that time you will need to walk your child to their classroom. For the safety of the youth in our program we lock the facility while in session. If you come after 9:05am, you will need to be buzzed into the facility. If for any reason the administrative church staff has stepped away from their desk you will be able to call the classroom at (260)312-2765 and request the door be opened from a preschool staff member.

Sign-Out /Pick Up
If picking up our child from carpool please be in line between 11:55-12:05pm. We will release students to cars that have the appropriate tags. Tags will be provided before school starts or upon registration. All children must be signed out of the program by a parent / guardian or an authorized adult (at least 18 years old). When a child is picked up from the program the parent / guardian or authorized adult must come to the designated childcare area and sign the child out of the program by signing behind your child’s name on the attendance roster. No child will be released from the program without an adult’s signature. All adults picking up children must be prepared to show I.D. so staff can verify their identity. For your child’s protection, anyone without proper I.D. will be stopped from taking a child from the program and the parent / guardian will be contacted immediately.
If someone other than the parent/guardian or those on the authorization pick up list needs to pick up your child, you must notify the Y childcare staff in writing at least one day in advance.

Any restricted individual must have a restraining order/custody decree on file with the director.

Late Pick-Up
Y childcare ends at 12 p.m. and our staff is scheduled to leave. If you are running late, please notify the program site director by calling 312-2765. A late pick up fee will be assessed after the program closes. There will be an additional charge of $1.00 per child, per minute starting at 12:05 p.m. payable to the YMCA (these fees are not subject to financial aid or sibling discounts).

Parents who have not notified the site director they will be late can expect the following sequence of events to occur. These steps are necessary to ensure the safety of the child as well as Y staff members.

- 12:05 p.m. Program closes. Staff member in charge begins calling parent’s primary number to check for problems or miscommunications. If contact is not made, alternative contacts listed on the registration form will be called.
- 12:15 p.m. Staff member in charge contacts team leader, program director, and local authorities to apprise them of the situation.
- 12:45 p.m. If there is no contact from the parent and no other safe option, the child will be turned over to the city or county police department.

You risk dismissal from the program if:
- You fail to pay the late fee.
- You are late picking up your child three times within a 30-day period, (repeat offenders will be assessed individually).

Parents must keep the Y office and site notified of phone number changes for work, home, and emergency contacts at all times.

Medication During Program
Any medication that needs administered during program hours must:
- Be accompanied by “Permission to Medicate” form that is signed by a physician (Available upon request).
- Be brought directly to Teacher in its original container with the child’s name, physician’s name, and drug name on the container.
- Have specific doctor instruction for dosage, times, etc. The Y can only administer medication according to original instructions on label. If direction from parent is different, the parent must provide a physician’s written change.
- No over-the-counter medication, including aspirin, cough medicine etc will be given without a doctor’s written consent.
- Staff cannot administer amounts other than specified on bottle or split pills.
- Medication will not be administered past expiration date.

Child Illness
For the sake of your child and others, if a child has a temperature of over 100 degrees, is vomiting, or shows other signs of illness, parents are asked to keep the participant at home. Participants must be symptom free for at least 24 hours before returning to the childcare program. Parents must notify the Y of the absence and the nature of the illness.

Illness/Injury Occurring During Program Hours
The Y does not aim to exclude children from the program unnecessarily. The Y’s illness/injury policies are based on the following criteria:
- Preventable public health practices
- The comfort and safety of the sick child
- The staff’s ability to accommodate or care for a sick child
- The protection of the other students, staff and parents from communicable disease conditions

If your child becomes ill/injured, they will be isolated from the other children and you will be contacted to pick him or her up within one hour of notification (depending on the severity of the injury or illness). The YMCA is not equipped to handle ill/injured children beyond securing their immediate comfort. If you cannot be reached, we will contact someone you’ve authorized from your emergency contact list for immediate pick up. Please be sure to keep the YMCA Childcare department informed of any changes in your work or emergency phone numbers. In an emergency, medical aid will be sought immediately.

Communicable Disease
Communicable diseases are diseases that are transmitted from one individual to another and easily spread among children. Common communicable diseases among children are head lice, pink eye, ringworm and chickenpox. The following policies have been created to reduce the spread of communicable diseases.

Head Lice
The Y reserves the right to inspect your child’s head in the event lice is suspected in order to protect all of the other student(s), staff, and parents.
- In the event nits/head lice are found among your child, a parent/guardian must pick up the child within one hour of the notification.
- The Y will notify all parents of all head lice/nits cases when found or reported.
- If nits/head lice are found outside of the Y care, parents/guardians must contact the Site Director immediately so proper notification can be made to the other parents.
- Students with nits/head lice must not return to Y care until 24 hours after first treatment is complete.

Same policies apply to all other communicable diseases.

Confidentiality
Student’s records are kept within groups, as staff needs to access them regularly. Any information in a child’s record that is sensitive will be kept in a secure place.
Emergency Procedures
If the YMCA childcare program must take cover due to inclement weather or any other emergency, staff will lead children to a safe area as listed on the posted "Emergency Procedures Plan".

WHAT NOTS!
Do not bring the following items to the YMCA:
- No sharp objects or any other object that would be destructive to your child or other participants or staff
- No CELL PHONES
- No handheld gaming equipment
- No weapons, firearms, or explosives

Toys from Home:
The staff at the YMCA is not responsible for ANY personal property brought from home. We do not recommend bringing toys from home. Due to the nature of our program damages and theft of personal items is possible. If participants are using toys from home the staff reserves the right to confiscate and/or restrict the use of personal property during the program hours.

Behavior Management Procedures

Philosophy
The Y strives to maintain a positive approach to managing children’s behavior at all times. “Discipline” is the process of teaching self-control and the ability to live within limitations and agreed upon guidelines. The staff and children at each site establish expected behavior guidelines. Positive behavior is self-rewarding and allows for program activities to occur. When children choose to behave outside the guidelines, some consequence is required to avoid future problems. The overall safety of all children in the program is our highest priority.

Children’s Rules
It is our intent that each child enjoys the planned activities by understanding that they are responsible for their actions. With prior knowledge of our basic rules of safety and good conduct, each child is made aware of how to exercise self-discipline and to understand that we are here to assist her or him and that we expect them to succeed. Rules for behavior are reviewed and often posted for visual reference.

Parent’s Rights:
Parents/guardians, upon registration, have the right to enter and inspect the childcare facility in which their child(ren) is receiving care, without advanced notice to the program staff. Entry and inspection is limited to the normal operating hours while their child(ren) is receiving care.

Process
When positive behavior is displayed, the consequence is participation and enjoyment of planned activities. In cases of negative or inappropriate behavior, the following process will be employed.

- **Redirect:** Every effort will be made to help the child understand the inappropriateness of his or her actions and agree to an alternate form of behavior. When the conflict is child-to-child, every effort will be made to have them reason together face-to-face with staff facilitating. At this time or any time moving forward you and your child may receive a Behavior Notice to inform you of the incident(s) that have occurred that day to help keep you informed.

- **Removal from the Specific Activity:** When redirection has been pursued and behavior has not changed, removing the child from the activity involved for an appropriate amount of time is necessary. The removal time will be age-appropriate. Other duty-oriented consequences suitable to the inappropriate behavior may also be utilized at this stage.

- **Write-ups:** When the child is not successful in correcting the behavior, or the behavior is of a serious nature, a behavior write-up will occur. This write-up will be discussed with the child and parent, and requires a parent signature. If a child receives three write-ups a parent conference is required.

- **Removal from the Program:** If the above process has not resulted in corrected behavior, the child may be removed from the program.

Serious Behavior Issues
In addition to behavior management procedures outlined above, parents must be aware that:

When a child has a serious discipline problem, on any one occasion, the parent may be called by staff and asked to pick up the child within one hour of the call. Biting another child, or injuring another child or staff member are examples of serious discipline problems.

Should it be decided by Y staff that a child poses a serious problem, the child may be suspended from the program for a period of 1 or more days; or may be removed from the program entirely. No child will be allowed to continue in the program that becomes a safety hazard to him/herself or others.

Other Behavior Related Issues
- No staff member will ever, strike, swear at, abuse, or threaten with physical intimidation either a child or parent.
- No staff member will knowingly allow a child to be stricken, sworn at, abused or physically intimidated by anyone else in the program.
- No staff member will ever solicit or accept gratuities in consideration for any treatment of a child.

Parent Conferences
The exchange of information about a child from the parent’s perspective and the staff’s perspective can be very helpful to both parent(s) and program staff. Parent conferences can be informal or formal. We cannot emphasize enough that it is important that you share changes that affect your child’s life. Changes occurring in the relationship of the parents will also influence the way in which your child relates to others. Staff can better provide for a child’s needs at these times if we are aware of changes.
Snack/ Lunch Options Information
We serve a morning snack. If your child does not like the snack provided or can't have it due to dietary restrictions, you may send something with them. If you are sending the snack, please make sure it is healthy (No sugar sweet drinks/soda, candy, cakes, Cheetos etc.). Candy will not be considered a snack and may be asked to be put away or confiscated.

Lunch Options: NEW THIS YEAR: Please Provide your own lunch (non-refrigerated, non-microwavable.)
