Assessments

Body Composition Analysis: With the guidance of a Certified Personal Trainer, you will receive your body fat percentage baseline to assist you with future health and wellness goals.

Fitness Assessment: A one-on-one assessment with a Certified Personal Trainer which includes the following: Resting heart rate and blood pressure, body composition, waist to hip ratio, cardiovascular assessment, muscular strength, muscular endurance and flexibility tests.

Blood Pressure Self Monitoring Program

Participants will work with trained healthy heart ambassadors for the duration of a 4 month program. During this time participants will be encouraged to: self measure BP, attend 2 personalized consultations per month, attend monthly nutrition education seminars.

Gymnastics

Enroll your child in our gymnastics program that focuses on tumbling techniques. In addition to self-confidence, students may learn cartwheels, round offs, back bends, handstands and pullovers. Students will also work with limited gymnastics equipment.

Little Ones Move & Groove

This class will get your toddler up and moving!! Program includes stretching, gymnastics, obstacle course, color and shape recognition, dancing and more! Come and see what a blast your toddler will have when they start moving and grooving! Parent participation is required.

Personal Training

Start your workout off right by working one-on-one with a certified personal trainer. An individualized program will be designed to help reach your health and wellness goals.

Personal Training Consultation

Start your fitness journey with a plan customized to your fitness goals and ability! YMCA members can register here for a FREE, one-on-one initial appointment with a personal trainer. You'll be contacted to set up your appointment where you can discuss goals for your individualized workout plan. Our trainers will teach you how to exercise safely with correct form and technique, maximizing results and keeping you accountable to your goals. The Y has a trainer for every style of workout, and every level. Sign up today and take the guesswork out of your routine and achieve your fitness goals faster!

Toddler Tumbling

Register your toddler for this exciting tumbling class and have them spring in to confidence. Age appropriate tumbling will be taught by our enthusiastic instructor.

Training - CPR/AED/O2/First Aid

This class combines online learning with in class learning. The purpose of the American Red Cross CPR/AED for Professional Rescuers and Health Care Providers course is to teach those with a duty to act (professional rescuers and health care providers) the knowledge and skills needed to respond appropriately to breathing and cardiac emergencies until more advanced medical personnel take over. This includes the use of an automated external defibrillator (AED) to care for a victim experiencing cardiac arrest.

Wellness Center & Equipment Orientations

Let us help you discover the Y as we show you around the Wellness Center. This includes familiarity with cardio and strength equipment and overall knowledge of the Wellness Center.

Wellness Consultation

A 30-45 minute meeting with a wellness coach/director that will help the member explore and identify all the ways they can get involved with their membership to help them with their health and wellness goals. Take the member to their next step at the Y.

Wellness For Life Coaching Program
