## DEAR CAMP FAMILIES,

Welcome to Whitley County Family YMCA Summer Day Camp, where every child is encouraged to use their imagination, explore the outdoors, and create lifelong friendships! You are entrusting us with your most valuable possession. It is our job to responsibly care for your child while providing fun activities that will challenge them mentally, physically and creatively. Our camp is all about your child. Our goal is that every child will have a fun, entertaining summer experience while being introduced to a variety of new activities, challenges and friends!!

A camp experience can be a powerful tool for personal growth. This is why we strive to offer the highest quality camps with the most diverse opportunities. We put a lot of effort in creating a fun, and safe environment by carefully selecting staff through screenings, background checks and thorough trainings.
