It's time to register
for Teen CAMP PLUG!

Our focus will be to encourage
Middle and High School Students to:

Play – Provide teens exposure to a vast array of activities and experiences.

Learn - Develop tools to become positive influences in their local community.

Unite – Through weekly service and team building projects, teens will understand that they have a voice in this world!

Grow – Our aim is to have each teen be enhanced by something they have been exposed to, while making some life-long friends!
