We strive to offer the highest quality camps with diverse opportunities. We believe that a camp experience can be a powerful tool for personal growth. We take great care in selecting staff through screenings, background checks, and thorough trainings which include first aid, CPR, safety and character building. You can trust that the Y makes every effort to provide a fun, well supervised, safe place for your child.

We are already planning for the adventures that lie ahead. Our camps often fill quickly so register early. We look forward to your family joining our family and for a great summer experience.
