Aquatic Playtime**

Join us for FREE pool time at the YMCA!

Looking for a way to spend quality time with your child or young adult who has special needs? Children and young adults with intellectual, developmental and physical disabilities and their parents/caregivers are invited to enjoy this time of unstructured playtime in the pool together.

- Participating in healthy activities offers everyone the opportunity to learn, grow and thrive.
- Although certified YMCA lifeguards always supervise the pool, participants need to be accompanied by a family member or caregiver who is 18 years or older while in the pool.
- Siblings are welcome to enjoy this swim time with the family.
